

Transportation to Downtown Hotels for CentralSquare 2019

The San Antonio International Airport is located approximately 13 miles, 15-20 minutes without traffic, from the Downtown Area. Publicized conference hotels do not offer an airport shuttle. We recommend one of the below transportation options.

Taxi Cab Service

Taxi cabs are available at the outer commercial curbside at Terminal A. For assistance, please contact the Airport Ground Transportation employee (wearing red shirt). Fare to San Antonio downtown areas start at \$24 - \$29 (U.S.) per taxi cab. If you would like to call in advance, below are some options for Taxi Services:

Rideshare

Approved rideshare services (or ride-hailing or ride-booking service companies) meet customers on the outer commercial curbside lower level Terminal A.

The following rideshare service companies are approved for operations at SAT. Prices may vary depending on the company, demand, and time of day.

- Uber
- Lyft
- Get Me Ride
